

Facilities for students for doing Project work / Inplant training in FACT

Due to the recent spurt in the number of Engineering / Professional colleges, there is a growing demand for facilities for Organisation study / Inplant training / Project work from professional & engineering students. Sensing the social responsibilities in this regard FACT is facilitating Organisation study and Inplant Training for Engineering / BBA / MBA students in Production / Maintenance and Administration departments of the company in various divisions. Similarly engineering & professional students are given facilities for doing Project work in various branches of engineering like Instrumentation, Electrical, Mechanical, Civil, Computer, Biotechnology etc. and administrative disciplines like HR, Finance, Materials, Marketing etc. Professionally competent guides are available to students doing Project work. A nominal fee is charged for using company's facilities for Project work / Inplant training.

FACT Training Centre, Eloor, Udyogamandal is the coordinating agency for Project work / Inplant training of students. Contact phone nos. are (0484) 2553423 ; 2559621 & 2553798. Students need to produce a certificate / letter from their institution of study, addressed to Chief Manager / Manager (Training), FACT Ltd., Udyogamandal – 683501, along with copy of their passport size photograph for availing the above facilities. Additionally, on the day of commencing the Project work / Inplant training, they have to remit the required fees in cash at the company's cash counter in Payroll section. Details of fees applicable are as follows:-
