Independent Auditor's Review Report on the Quarterly Unaudited Standalone Financial Results of The Fertilisers and Chemicals Travancore Limited ("the Company") Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of

The Fertilisers and Chemicals Travancore Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of **The Fertilisers and Chemicals Travancore Limited** ("the company") for the quarter ended December 31, 2022 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, ('Ind AS 34') "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an Audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted and procedures performed as stated above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to the Note #4 During the year 2019-20, company had sold 481.79 acres of Land, as approved by Govt. of India at the rate of Rs. 1 Crore per acre for 150 Acres (in lieu of promise in MOU to accord free hold right over 143.22 acres of lease hold land by the Government of Kerala) and remaining 331.79 acres @ Rs. 2.4758 Crore per acre. Government of Kerala vide order No. GO (MS)No.132/2022/RD dated 17.05.2022, has accorded approval for unconditional assignment of

143.22 acres of land. However, other formalities including survey of the land and issue of Patta/title deed in the name of the Company, is not completed as on 31.12.2022. Hence, the Company continues the classification of the land as lease hold, as on 31.12.2022.

Our conclusion is not modified in respect of the above matter.

However, other formalities including survey of the land and issue of Patta/title deed in the name of the Company, is not completed as on 31.12.2022. Hence, the Company continues the classification of the land as lease hold, as on 31.12.2022.

Our conclusion is not modified in respect of the above matter.
