Tender ID : 2026_FACT_920630_1
Tender Reference Number : MAT-RM-AS-LT-2026
Tender Title : Supply of Long Term Contract for supply of Ammonium Sulphate
Caprolactam Grade, in bulk

The following points were discussed during the pre-bid meeting, and the clarifications are given below.:

1. The tendered item is Ammonium Sulphate Caprolactam Grade - Crystalline, conforming to Indian FCO specification, in bulk.
2. Regarding whether materials from China are acceptable - Sourcing from China is permissible subject to GOI guidelines.
3. Whether shorter contract periods would be acceptable - It is hereby clarified that the tender is fixed for two years and the contracts shall be valid accordingly.
4. Shipment size of 30,000 +/- 10 MT is indicative. Bidders are free to offer the shipment size.
5. The splitting of quantities will be as per tender terms, subject to quantity offered by the bidders. However, FACT may place order on more than 2 parties if needed, subject to matching with the evaluated L1 rate.
6. Intimation date is the effective PO date. Separate POs will be issued for each shipment and the supplier must ship the ordered quantity within 21 days of that intimation. LC will be established immediately after receipt of applicable Security Deposit/Performance Bank Guarantee, for the respective POs.
7. Financial documents requested in the tender are not mandatory. However, the bidders shall submit the available financial details of the company that can be disclosed.
8. Whether policy or CIQ rule changes in the country of origin can be considered - Policy changes in the country of origin can be considered exceptional situations and may justify leeway on delivery timelines.
9. It is clarified that the price shall be quoted for East Coast and West Coast separately, as mentioned in the BOQ.
